Re: Town Hall Phone Conference November 19th at 6 PM

Bernie Sanders,

This week my Cell Phone received a Voicemail from 1-802-230-0962, suggesting it was you inviting me to participate in a Vermont Telephone Town Hall Meeting on, Wednesday, November 19th at 6 PM. No answer was made to the return call because it may have been an AI Generated Call, from some unknown caller.

As far as any questions that I might have. As the United States is currently in Debt to over \$37 Trillion Dollars, How is it the President did not show the same attitude towards the Federal Reserve, which is no more Federal than Federal Express, than those he publicly insulted Globally, when he suggested to “We The People”, THERE IS NO GOLD IN FORT KNOX”? Where is the concern from All U.S. Politician’s regarding this matter? **Where Did America’s Gold Go?**

Another question is, How long will American Politician’s be blinded by Pharmaceutics’ Corporations and Philanthropist? The work Robert F. Kennedy is doing is certainly in the Best Interest of We The People, in my opinion.

As far as the Truth About Human Health is concerned, you and every U.S. Politician received the Historical Document, “This Is A Bio-Attack Alert” March 28, 1986, by Robert B Strecker MD, with a PhD in Pharmacology who said, “There’s No Proof Any Vaccines Cure Anything”. That Document was signed by Attorney Theodore A Strecker and submitted to Every U.S Government Agencies, in the Best Interest of “We The People”, completely exposing Vaccinations Programs.
